PLASTICKAR, JULY 2021

DISPOSABLE TABLE COVER

PlasticKar's disposable table covers are produced from a combination of LDPE, HDPE and, if necessary, a small amount of HiCal, under continuous quality control. This product is supplied in different size, color, design and packaging for use in houses, restaurants, picnics, special events, hotels, dining halls, hospitals, university camps, offices and so on.

Producing under hygienic principles, high-quality printing and suitable packaging have enabled us to export this product to most countries in the Middle East.

It is worth mentioning that we can produce disposable table covers based on the customers' requirement to meet the need of diverse markets.
